Your child's school is taking part in Read for Good's sponsored read which has a long track record of encouraging students to read for fun. Pupils choose what they want to read, and the money they raise, as well as providing them with fantastic motivation, enables Read for Good to provide a regular supply of brand new books and storyteller visits to children in hospital all over the UK.

Go to www.readforgood.org/sponsor to find your child's school where you can sponsor them.

Research shows again and again that young people who regularly choose to read are more likely to do well in exams, and throughout their lives. Read for Good's sponsored read helps to establish and reinforce these good habits and enables pupils to discover which books, authors and genres they enjoy the most.

AND the school earns 20% of our overall sponsorship total in free books as well, so please do get involved by clicking the link.

Please encourage your child as much as possible by supporting their reading.
