Dear Parent/Guardian,

As part of their English Language GCSE, Year 11 are required to complete an individual presentation which contributes towards their overall grade. The exam board allows students to have a week's worth of lessons in order to prepare for the presentation. We believe it is beneficial that this preparation is carried out with their teachers in a classroom environment to ensure all our students are being given the opportunity to achieve their full potential.

Therefore, all Year 11 students will be **expected to attend school on Wednesday 4th November** to complete this preparation. Their presentations will then be recorded and assessed the following week whilst they are in school.

All pupils are required to report to their English teachers in their usual English classrooms at 8.40am, but they will only be required to attend lessons during periods 1, 2 and 3. Please can you make any necessary arrangements for your son / daughter to **vacate the school premises at 12.20pm.**

Furthermore, it would be an excellent idea for them to start thinking about which topic they might like to talk about in their presentation and to then carry out some research at home beforehand. They can talk about any topic which is linked to one of the following titles: Wales; leisure; the world of work; the world of science/technology or citizenship.

Many thanks for your cooperation and support,

Mrs Laura Davies
Head of English Faculty
