Dear Parents / Guardians of Year 11 pupils,

RE: Year 11 Exams

As part of the schools' assessment procedure for your son / daughter, there will be Year 11 mock exams in the Top Hall **weeks beginning 8th December and 15th December 2025. Please see the Mock Examination timetable accompanying this letter.**

These exams will focus on the work completed so far this year and any work covered in Year 10. These exams will allow teachers to identify where your son / daughter has strengths in each subject and any areas that require improvement.

Whilst it is important that the pupils do not get too anxious over these exams, at the same time all pupils need to take the exams seriously and prepare in the best possible way. Therefore, it is essential that pupils perform to the best of their ability.

To this end, your son / daughter may find the tips below useful when preparing for the exams:

- Have a good night's sleep before the exams.
- Look over any work completed and make notes (in a suitable environment).
- Make simple notes (perhaps in bullet points) on cards / or post-its and stick them around their room.
- Eat a balanced meal.
- Drink plenty of water to keep hydrated.
- Stay positive.

If you have any queries or concerns regarding the exams, please do not hesitate to contact either myself, Mr Will Beddoes or Mr Gareth Jones, Head of Yr 10 and Yr 11, on the school number.

Yours sincerely

R Ransome
Senior Assistant Headteacher
