

Hello Year 6

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

When will we know which class we are in?

Form class:

I have had meetings with all your Year 6 teachers, and they have discussed with me who works well together and who doesn't. I try and ensure that everyone has at least one friend from primary school in their form class.

The form classes are:

7 Glyndwr

7 Llywelyn

7 Campbell

7 Morgan

7 Cadwaladr

7 Gwenllian

You will find out which form you are in on the Common Transfer Day.

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

What time do we have to be in school for? What time does school end? How many lessons per day? Would we have a snack at morning break?

The school day is as follows:

8:40am : Registration This is when you will be with your form class; you will have an assembly once a week.

9:00 am: Lesson 1

10:00 am: Lesson 2

11:00 am – 11:20am: Morning break

11:20 am: Lesson 3

12:20 pm: Lesson 4

1:20 pm – 2:00 pm: Lunchtime (ParentPay to pay for the food but you order the food in person in school)

2:00 pm: Lesson 5

3:00 pm: Home time

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

Will we have a timetable to follow? What lessons will we have?

In Year 7 you will study:

Maths, English, Science, History, Geography, RE, Dance, Drama, Art, Music, Nutrition, Technology, PE, Welsh and Spanish.

You will have a timetable and access to this on the app (more details to follow in September)

We have a 2-week timetable; Week 1 can be very different from Week 2. You can see a typical Y7 timetable in the picture. The top abbreviation is the subject e.g. “Hi” is History.

The capital letters you see are the initials of the teacher e.g. “LAJ” = me, Mrs Jones.

The number is the room number.

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

How often do we get homework? Will we have homework in the first week? What days do we have homework?

What happens if we forget homework?

You will be issued homework, and this is usually set on Google Classroom. If you are unsure what you are supposed to do, then please ask your teacher.

There is no set timetable for homework so it could be given at any time. You could get homework in the first week.

You will usually be given plenty of time to complete homework. If there is a problem, then parents/guardians can send a message to your teacher via the app to explain why the homework has not been done. Teachers are understanding however if this is a persistent problem you could find yourself in a detention during break or lunch or possibly after school.

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

What if we find the work too hard? What will happen if I am not doing so well in my classes?

We have a fantastic Additional Learning Needs (ALN) Department here at Ysgol Bryn Alyn. Ms Jasmin Morgan is our ALNCo, Ms Becky Roberts is the Deputy ALNCo and there are also TA's.

You may have TA's in your classes – this is different to primary where you may have the same TA attached to your class all year. If you are struggling with the work, then you will be supported by the ALN team and your teachers.

You may be taken out of a lesson for intervention to help with your reading, spelling, handwriting, numeracy skills etc
