Ysgol Bryn Alyn School Uniform Guidelines for September 2020

Uniform is an important part of a school's identity. It reinforces who we are as a community and helps allow students to feel pride in their school. It also ensures students are not put under any pressure because of the type of clothes they wear, and all are treated equally. It also helps prepare students for life after school where many will have to dress smartly for work or wear specific work/company uniform.

Please take note of the uniform guidelines enclosed in this leaflet. We feel that consistency is important for all students and would like to avoid unnecessary confrontations at the start of term with students beginning YBA or returning to us in September not dressed in accordance with school uniform policy.

We are hoping, despite the current COVID-19 situation, that parents will be able to access uniform items. However, it is impossible to arrange 'try on' sessions in school as we would usually do for our new intake into Year 7. Clearly this would compromise social distancing and be a concern for the potential spread of the virus. Our uniform suppliers have produced a leaflet to help accurately measure your child for YBA uniform. They have assured us that blazers will be in stock for the start of the next academic year and they are currently ordering in our school ties. Please look at the measuring guide and order via the website (see link below). Our uniform suppliers have also said that they will update the website with their revised opening hours once the Welsh Government announce that shops can reopen.

A reminder that **all pupils** (Year 7 – 11) will be expected to be wearing the school blazer, a white shirt, school clip on tie, black trousers (please see overleaf for guidelines) or the **standard school skirt**. Please note, no other skirt will be accepted – more details overleaf. A black v-necked jumper is optional, however, **please note that this jumper needs to be worn outside the skirt or trouser.**

The uniform is available to purchase from Sarah's Embroidery, based in Penley. Please refer to their website:

<https://sarahs-schools.myshopify.com/collections/bryn-alyn-school>

For parents of our new Year 7 intake (September 2020) there is a Pupil Development Grant available for eligible families to help with buying uniform and equipment. Please visit for further information...

<https://www.wrexham.gov.uk/service/pupil-development-grant-pdg>

Pupils will be expected to wear a pair of plain black, polishable shoes. **If footwear is deemed inappropriate, school will provide a pair of black plimsolls for the remainder of the school day.** Please also be aware that **trainer socks are NOT permitted. Socks must cover the ankle and at least meet the base of the trousers**

Our pupils look extremely smart in their uniform and by abiding to the clear uniform guidelines, crucially, valuable staff time will not be spent dealing with issues relating to problems with school uniform. As a community we are all proud of our young people and are passionate about giving them the best opportunities.

Thank you for your continued support and please do not hesitate to contact the school if you would like clarification on any uniform item. We look forward to your support in ensuring all students are treated equally and trust the guidance enclosed makes things much clearer for everyone.
