Hwb Additional Services for Learners – Consent Form for Learners (aged 13+)

Overview

Hwb is an online platform which gives all teachers and learners access to a wide range of bilingual digital tools and resources to support teaching and learning. Many of the resources are available to the public at <https://hwb.gov.wales>. Hwb is funded and managed by the Welsh Government for the benefit of all maintained schools in Wales.

During 2018/2019 the Welsh Government's statutory **National Reading and Numeracy Tests** will begin the transition (over a three-year period) to **personalised assessments**, eventually replacing the current paper-based national tests. All learners must be provided with a secure 'Hwb login' in preparation for these online assessments and our school will securely send specific information (as detailed in the Hwb Privacy Notice) to the Welsh Government to facilitate this. Hwb Additional Services

As well as enabling pupils to access personalised assessments, the Welsh Government offers, through Hwb, additional educational services to every learner. You will benefit from online access (on any web connected device) to educational resources including Microsoft Office 365 (including Word, Excel and Outlook e-mail), Google G Suite for Education, Encyclopaedia Britannica, Just2easy, Flipgrid and other relevant educational tools and resources. The Welsh Government fully supports the use of these educational resources and there is no cost to you or to our school to use them.

In order to access these additional services, we NEED YOUR CONSENT. A video about learner consent is available at <https://hwb.gov.wales/consent>.

Giving consent / withdrawing consent – how will this affect my Hwb account?

You may give consent or withdraw consent for **Hwb Additional Services** at any time.

If you tick box (a) below and sign to give your consent:

- We will enable you to have access to all the Hwb Additional Services. This will involve Welsh Government securely sharing limited information about you with its service providers, including Microsoft and Google for Education, in order to create a secure account to enable you to access the additional services (see the **Hwb Privacy Notice** at <https://hwb.gov.wales/privacy> for more details).

If you tick box (b) below and sign to indicate that you **do not** give your consent:

- We will still securely share specific information about you with Welsh Government, and some of its service providers, in order to set up a secure log-in for the Hwb platform to facilitate personalised assessments. However, you **will not be able to access Hwb Additional Services**. Please discuss this further with a teacher.
