

Summer Term Assessment Progress Update 3 w/b 9th and 16th June

To support you in achieving the best possible outcome in your assessment, please revise the following topics.

Year 9
English

Revision / Topic List

- Extract response

<https://www.bbc.co.uk/bitesize/guides/zxhjsg8/revision/1>

- Scrooge's redemption

<https://www.bbc.co.uk/bitesize/guides/zg8qfrd/revision/3>

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

Year 9 Mathematics Foundation

Summer Term Assessment Progress Update 3 w/b 9th and 16th June

To support you in achieving the best possible outcome in your assessment, please revise the following topics

Section	Topic descriptor(s)	Non calculator paper	Calculator paper
Number			
Understanding Number and Place Value	Rounding (e.g., nearest 10, whole numbers, decimal places)		clip 22 39
	Directed numbers		clip 19,58a,58b
Understanding number relationships and methods of calculation	Indices	clip 38 and 67	
	Fraction / percentage of an amount	clip 60,70	
	Expressing a number as a fraction / percentage of another	clip 72 73	
	Calculating using ratios, proportional division	clip 78	
	Recurring decimals		clip 129
Solving numerical problems	Calculations involving basic knowledge of money; pounds (£) and pence	clip 18a 18b	
	Interpreting calculator displays, including rounding appropriately		clip 64
	Venn diagrams		clip 120a 120b
Algebra			
Functional relationships	Recognising, describing, and continuing number patterns and sequences		clip 47
	Coordinates	clip 25	
Equations and formulae	Substitution		clip 84
	Formation and simplification of expressions (may include expanding brackets, collecting like terms, etc.)	clip 45,83,138a,137	
	Linear equations	clip 139a 140	

Geometry and Measure			
Properties of shape	Nets	clip 48	
	2-D representations of 3-D shapes	✓	
	Accurate use of a ruler and a protractor	clip 50	
	Symmetry	clip 28	
	Basic angle facts (vertically opposite angles, angles at a point, angles on a straight line)	clip 90	
Properties of position, movement, and transformation	Further angle facts (may include parallel lines, triangles, quadrilaterals)	clip 91 92	
	Transformations	clip 98,99,100,101	
Measures	Bearings		clip 114
	Calculations involving time		clip 12a
	Using and converting metric units	clip 105a	
	Using and converting metric and Imperial units	clip 105b 105c 105d	
	Compound measures – speed		clip 106
	Perimeter and area of shapes	clip 51,52,102,103,104,109	
	Surface area / area of cross-sections / volume		clip 47a,147b 108 148

Statistics			
Processing, representing, and interpreting data	Bar charts / pie charts		clip 10 121
	Averages / range	clip 122, 160a	
	Vocabulary of probability, including the terms 'fair', 'evens', 'certain', 'likely', 'unlikely' and 'impossible'		clip 9
	The probability scale	clip 9	
Probabilities of events	Theoretical probabilities of equally likely outcomes	clip 55	
	Compound events / experiments (e.g., using tabulation, Venn diagrams)	clip 183	

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

Year 9
Mathematics
Intermediate

Summer Term Assessment Progress Update 3 w/b 9th and 16th June

To support you in achieving the best possible outcome in your assessment, please revise the following topics

Section	Topic descriptor(s)	Non calculator paper	Calculator paper
Number			
Understanding Number and Place Value	Rounding (e.g., whole numbers, decimal places, significant figures)		Clip 22, 39, 126
	Directed numbers		Clip 19, 58a 58b
Understanding number relationships and methods of calculation	Expressing numbers as products of prime factors	Clip 20, 65	
	Lowest common multiple (LCM) and highest common factor (HCF)		Clip 124, 125
	Indices	Clip 38, 67, 163	
	Standard form	Clip 161	
	Fraction / percentage of an amount	Clips 60, 70, 71	
	Expressing a number as a fraction / percentage of another	clip 72,73	
	Fractional and percentage changes, including the use of multipliers	clip 131	
	Repeated proportional changes	clip 76	
	Calculating using ratios, proportional division	clip 78	
	Recurring decimals		Clip 129
	Calculations involving basic knowledge of money; pounds (£) and pence	clip 18a	
Solving numerical problems	Finding original amounts (given the results of proportional changes)		clip 131 167
	Interpreting calculator displays, including rounding appropriately		clip 64
	Upper and lower bounds	Clip 128, 164	
	Venn diagrams		Clip 120a 120b

Algebra			
Functional relationships	Number patterns and linear sequences	clip 47,87,88	
	Coordinates	Clip 25, 96	
Equations and formulae	Substitution		Clip 84
	Formation and simplification of expressions: may include expanding brackets, collecting like terms, factorising, etc. (this descriptor does not include factorising three-term quadratic expressions)	clip 45,83,138a,137	
	Linear equations	clip 139a 140	
	Changing the subject of a formula		Clip 141
	Linear inequalities	clip 202	
	Simultaneous equations		Clip 144, 171
	Trial and improvement		Clip 174

**Year 9
Mathematics
Intermediate
Cont.**

**Summer Term Assessment Progress Update 3
w/b 9th and 16th June**

To support you in achieving the best possible outcome in your assessment, please revise the following topics

Geometry and Measure			
Properties of shape	Accurate use of a protractor		clip 50
	Constructions – angles and perpendicular lines	clip 112 113 151a&b, 152	
	Basic angle facts (vertically opposite angles, angles at a point, angles on a straight line)	clip 90	
	Further angle facts (may include parallel lines, triangles, quadrilaterals)	clip 91 92	
	Regular and irregular polygons (may include sum of interior and / or exterior angles)		clip 94
	Pythagoras's Theorem	Clip 15, 179	
	Right-angled triangle trigonometry		Clip 180

	Circle theorems	Clip 181	
Properties of position, movement, and transformation	Transformations	clip 98,99,100,101	
	Bearings		clip 114
Measures	Calculations involving time	clip 12a	
	Using and converting metric and Imperial units	clip 105a,105b,105c,105d	
	Dimensions	clip 149	
	Compound measures – speed		clip 106
	Perimeter and area of shapes	clip 51,52,102,103,104,109	✓
	Surface area / area of cross-sections / volume		clip 47a,108,147b,148

Statistics			
Processing, representing, and interpreting data	Bar charts / pie charts		clip 10, 121
	Averages / range	clip 122,160a	
Probabilities of events	Vocabulary of probability, including the terms 'fair', 'evens', 'certain', 'likely', 'unlikely' and 'impossible'		clip 9
	The probability scale		clip 9
	Theoretical probabilities of equally likely outcomes	clip 55	
	Compound events / experiments (e.g., using tabulation, Venn diagrams, tree diagrams)	clip 158a, 183	
	Total probability = 1	clip 117	
	Mutually exclusive / independent events	clip 219	

Summer Term Assessment Progress Update 3 w/b 9th and 16th June

To support you in achieving the best possible outcome in your assessment, please revise the following topics.

Year 9 Science

Revision / Topic List

- GCSE Chemistry Unit 1 - How do you separate out a mixture?
- GCSE Chemistry Unit 1 - What does mass number and atomic number mean?
 - GCSE Biology Unit 1 - How do we use a microscope?
 - GCSE Biology Unit 1 - What do cells look like under a microscope?
- GCSE Physics Unit 1 - How is current and voltage measured?
 - Breathing rates
 - pH Scale

You will need to be able to Name, Explain and Define the above topics

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

Summer Term Assessment Progress Update 3 w/b 9th and 16th June

To support you in achieving the best possible outcome in your assessment, please revise the following topics.

Year 9
PE

Revision / Topic List

- Participation in Sport
- Aerobic fitness and its impact on cardiovascular endurance.
- Characteristics of skilful performance
 - Body movement
 - Bones in the body
 - Anaerobic fitness

You will need to be able to List, Name, Define & Justify the above topics.

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

Summer Term Assessment Progress Update 3 w/b 9th and 16th June

To support you in achieving the best possible outcome in your assessment, please revise the following topics.

Year 9
RVE

Revision / Topic List

- Key word definitions
- Christian attitude towards forgiveness
- Nature and purpose of sex for Christians and Jews
- Arguments for and against euthanasia

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

Summer Term Assessment Progress Update 3 w/b 9th and 16th June

To support you in achieving the best possible outcome in your assessment, please revise the following topics.

Year 9 History

Revision / Topic List

- Treaty of Versailles
- Franz Ferdinand
- Crime and Punishment

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

Summer Term Assessment Progress Update 3 w/b 9th and 16th June

To support you in achieving the best possible outcome in your assessment, please revise the following topics.

Year 9 Geography

Revision / Topic List

- Keywords
 - Factors that influence climate.
 - Airmasses and the Jet Stream.
 - Weather Symbols/Climate Graphs.
- How do tropical storms impact on people's lives and the economy of a country?

You will need to be able to Name, Explain, Compare and Define the above topics

Summer Term Assessment Progress Update 3 w/b 9th and 16th June

To support you in achieving the best possible outcome in your assessment, please revise the following topics.

Year 9
Cymraeg

Revision / Topic List

- Media - music, film etc.
 - Translation
- Welsh music and television

You will need to be able to understand a variety of different texts about Welsh media and write a letter about your likes and dislikes.

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

Summer Term Assessment Progress Update 3 w/b 9th and 16th June

To support you in achieving the best possible outcome in your assessment, please revise the following topics.

Year 9 Art

Revision / Topic List

- Understanding of how portraiture painting and drawing has changed through time, including the reasons for people having portraits
 - The style of Chuck Close
- The proportions and dimensions of portraiture drawing
 - Caricatures and their purpose
- Personal identity in a portrait and the work of Teesha Moore
 - Basic collage techniques
 - Banksy and reasons why people protest

YBA REACH Values: Resilience, Effort, Aspiration, Cooperation, Honour

Summer Term Assessment Progress Update 3 w/b 9th and 16th June

To support you in achieving the best possible outcome in your assessment, please revise the following topics.

Year 9 Music

Revision / Topic List

- Blues (12 Bar Blues, Syncopation, Improvisation, Riff, Walking Bass, Scat)
- Chords (including sequences and what are primary chords?)
 - General knowledge from Years 7 to 9

More details on Google Classroom!

- You will need to be able to List, Name, Define & Justify the above topics.

Summer Term Assessment Progress Update 3 w/b 9th and 16th June

To support you in achieving the best possible outcome in your assessment, please revise the following topics.

Year 9
Dance

Revision / Topic List

- Key words and definitions
- Understanding a range of stimuli used in dance
 - Postcards as narrative
- Key elements of the professional work Expressions of Emancipation by Boy Blue Entertainment
